

ADDING THE WOW! FACTOR

Imagine walking into one of these bathrooms for the first time. Your reaction might be "WOW!" That's what you can add to your bathroom, the WOW! Factor, when your remodeling plan includes a modern frameless shower enclosure. Each of these showers is a stunning statement of what a properly designed, quality built frameless enclosure can add to the beauty and value of a home. And each is adorned with C.R. Laurence Frameless Shower Door Hardware. As you browse through this flyer you'll see many examples of how we can add the WOW! Factor to most every bathroom.
